Welcome to AP Psychology with Ms. Mock!

Please see the summer assignment below. Assignments are due the first full day of class, no exceptions, so order your books early and complete the work throughout the break. Feel free to contact me with any questions at amock@perkiomen.org but recognize that I will not respond to emails within one week of the due date (one week prior to the start of school).

I am excited to spend this year with you and explore many different aspects of psychology as we prepare for the AP examination!
